# «National product» Exhibition

## About Exhibition

Since 2015, Damu Fund organizes the exhibitions of domestic producers "Made in Kazakhstan". Since 2018 "National product" Exhibition.

During this time, the exhibition became popular among our compatriots and a new, large-scale platform where Kazakh producers demonstrate their products, adopt experience, share success stories.

The exhibition has become a real foundation for expanding economic cooperation between domestic companies.

Within the framework of the exhibition, the products of SME, which received state support through the programs of the "Baiterek" Holding and "Damu" Fund are presented.
